

IMPORTANT FACTS ABOUT MedicAlert™

What is MedicAlert™? The MedicAlert™ Foundation is a non profit organisation dedicated to protecting lives. Founded in 1956 by a physician, it supports fast accurate delivery of health care, and offers the best emergency medical identification system in the world.

Who needs MedicAlert™? People with special medical conditions that cannot be easily seen and which should immediately be known in an emergency. Of more than 200 common conditions, diabetes, epilepsy, severe allergies, heart trouble, hypertension and haemophilia are just a few. Frequent travellers and sports persons also benefit from MedicAlert™.

What can MedicAlert™ do? Tragic or even fatal errors can be made during emergency treatment. MedicAlert speaks quickly for a person unable to communicate due to shock, loss of speech or unconsciousness.

A Universal Symbol. The MedicAlert™ emblem bears the symbol of the medical profession, and is recognised universally. The MedicAlert™ Foundation has affiliate organisations in 9 countries around the world.

Verification. A doctor, pharmacist or optician must sign the completed form verifying the accuracy of information.

Confidentiality. All information is treated as being confidential and will be revealed in an emergency ONLY to authorised persons.

MedicAlert™ Wearers. The Foundation must be notified of any changes of medical or personal details. This information could save your life.

Who supports MedicAlert™ Foundation? MedicAlert™ is recognised nationally and internationally by hundreds of medical, health and service organisations. The Foundation needs and encourages contributions, endorsements and publicity.

How can I find out more about MedicAlert™? Write to MedicAlert™, P.O. Box 689, Harare, Telephone 704489, 2916307. Tel/Fax 704488 or call up our Website www.medicalert.co.zw

How MedicAlert™ Protects You

MedicAlert™ chains are designed to have an unsoldered jump ring in order that the wearer is protected against injury should the bracelet become entangled with machinery or fixed objects.

For this reason they will open when strongly pulled.

Your Membership Includes

1. Your link with Life.

Your MedicAlert™ bracelet or necklet is virtually indestructible, is non-allergenic and can be worn under all circumstances. It carries the phone number of the MedicAlert™ Central File and your own personal membership number to enable emergency personnel to immediately obtain vital information concerning your treatment.

2. Wallet Card.

The card easily slips inside your wallet or handbag. It shows a computer printout of essential medical information and includes your next of kin, doctor's name and telephone number for speedy contact if necessary. You should carry this card wherever you go for maximum protection against incorrect treatment.

3. The Hot Line to Life.

MedicAlert™ central register is manned 24 hours a day to receive emergency calls from anywhere in the world, a great comfort to overseas travellers.

4. Computer Life Link.

Information stored in the computer files is strictly confidential and only released to those health care professionals whose credentials have been established. All files carry your unique identification number to eliminate incorrect matching of data to language problems.

MedicAlert™ Foundation Zimbabwe is an independent charitable organisation organised under the laws of Zimbabwe. MedicAlert™ is a registered trademark of MedicAlert™ Foundation.
